

PUBLIC NOTICE

GRAIN PROCUREMENT: 2023/24FY

Do you have surplus marketable grain?

The Agro Marketing and Trade Agency (AMTA) hereby wish to inform farmers and the nation at large that, AMTA is set to commence with the 2023/24FY grain procurement. The process is set to begin on the **14th of June 2023** to absorb the allocated marketable grain (white maize) as per the list provided by Namibian Agronomic Board (NAB) whilst procurement of mahangu/pearl millet will commence on the **1st of July 2023**. This exercise is expected to run until the end of September 2023 or until all the grain allocated to AMTA is absorbed.

Registered farmers who intend to market their grain with AMTA, are therefore encouraged to visit AMTA offices and/or confirm with NAB of their registration to avoid inconveniences. Further, kindly note that a detailed list of all registered farmers allocated to AMTA and procurement schedule thereof, will be communicated in due course through our respective Silo centres.

Should you wish to find out more on the processes, please do not hesitate to contact our staff within your respective areas/regions for assistance:
